

Stenciled concrete gives the appearance of real stone, tile or brick without the higher installation costs and maintenance, available in a wide range of colors and patterns to choose from, with more options for the contractor and homeowner. Stenciled concrete leaves a flat and even surface better suited for pool decks, walkways, driveways and interior floors.

How many patterns are available?

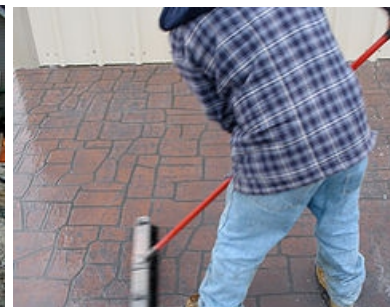

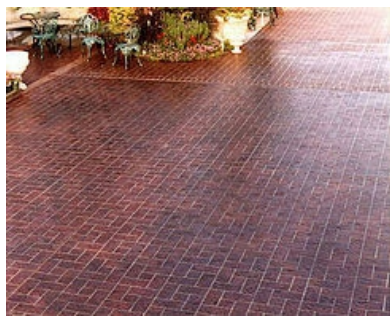

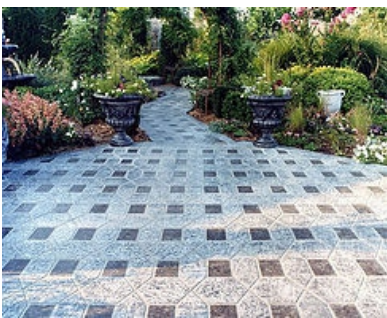

- 24 stencil field patterns.
- 7 stencil headers & borders.
- 8 stencil accent pieces.

Hitt Marking Devices manufactures and distributes the industry's largest selection of patterns available, available in paper or ABS plastic for cast-in-place, over layment, drywall, and asphalt applications.

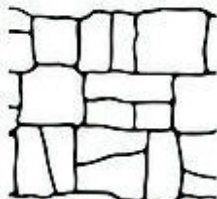

Are your stencils contractor friendly?

Hitt Marking Devices offers the concrete contractor a proven system with low start up costs. With quality products, reasonable prices, and outstanding technical and customer support. We're here to support you!

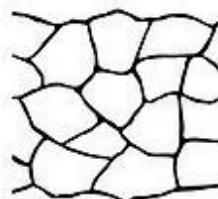

All in-stock items ordered by 1pm Central Standard Time ship the same day. Hitt Marking Devices offers expedited shipping for those last minute surprises. Please contact us for expedited shipping options.

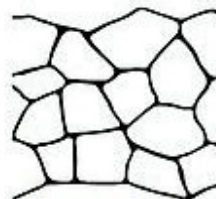

STENCIL PATTERN CHART

LARGE KEYSTONE
