JustRite®

BUILT TO ORDER. BUILT TO LAST.

SUPPLEMENTAL PRICE LIST 2022

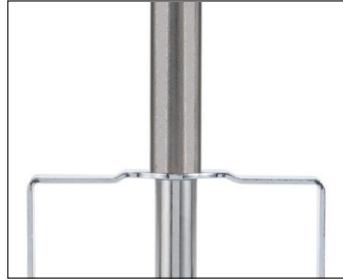

JUSTRITE

For decades, JustRite self-inking stamps have set the standard when it comes to all-metal custom stamps. Due to their high quality, industrial strength design JustRite stamps can be used in demanding environments, as well as special applications that require highly aggressive inks.

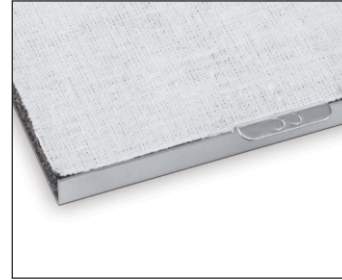

Due to their modular design, Justrite stamps can easily be integrated into specific industrial applications in the production process.

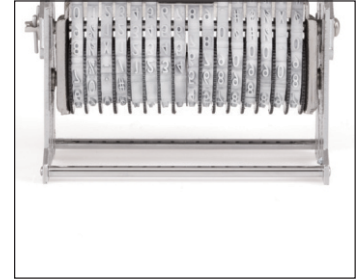

All-metal design for high stress in industrial environments.

Easy integration in industrial applications due to modular design.

Needle felt pad for special or aggressive stamp inks.

Numerous band combinations.

SPECIAL ASSEMBLY. SIMPLIFIED.

Historically, JustRite Dater and Numberer band sizes have been inconsistent with one another. This can lead to confusion and over-complication of the ordering process.

Trodat has worked to eliminate as much complexity from the special assembly process as possible, by harmonizing, streamlining, and simplifying JustRite Dater and Numberer bands into a single, cohesive family of sizes.

A rolling conversion of sizes has been completed, and moving forward all JustRite models will adhere to the new streamlined offering.

The below chart compares the old-style MMC band sizes to the Trodat harmonized family of sizes.

MMC JUSTRITE DATER BAND SIZES			MMC JUSTRITE NUMBERER BAND SIZES			CURRENT HARMONIZED JUSTRITE DATER/NUMBERER BAND SIZES		
BAND	MMC IN.	MMC MM.	BAND	MMC IN.	MMC MM.	BAND	NEW IN.	NEW MM.

Size 7 Hand Stamps can be ordered by special request. Availability may be limited.

Note: While there have been slight changes in metric, the differences aren't large enough to affect the measurements in fractions for certain sizes (see: Size 00 for example).

This catalog shows all sizes of JustRite metal stamps available from Trodat, along with columns comparing the old-style MMC JustRite band sizes (BLUE) to the current new-style harmonized Trodat band sizes (RED) where applicable.

JUSTRITE BAND SIZE CHARTS

Figures shown are actual size so you can determine the maximum number of bands for a given width.*
 Adding a date set will decrease the number of bands available and varies depending on the model size requested.

NOTE: Size 7 Hand Stamps can be ordered by special request. Availability may be limited.

JUSTRITE SELF-INKING DIE PLATE DATERS

Combines the features of our other die plate daters with the convenience of a self-inking stamp. This metal self-inker with a plastic handle is built to last with #1 size dater bands which print in the center of the die plate. For a slight additional charge, figure bands may be substituted for date bands. Available in 17 sizes. See Page 116 for Replacement Ink Cartridges.

JUSTRITE BAND DATERS/LINE DATERS

JustRite Line Daters are available in regular style up to type Size No. 6 (3/4" printing face) and in the self-inking style up to type Size No. 3 (3/8" printing face). All models are furnished with high-quality bands of the purest natural rubber and chrome plated steel frames. Hand Stamp Daters, used with a separate stamp pad, are the economical answer to a small volume of dating impressions. Choose the self-inking style for speed and convenience in handling a medium to high volume of date stampings.

Models come stock with 12 year bands. Trodat guarantees these products to have a minimum of 10 current year bands. Several commonly used phrases are available upon request (special assembly charges may apply). DATE BANDS CONTAIN C THROUGH 9 PLUS AN "X" AND A " - ".

FIGURE & LETTER BAND LAYOUTS FOR HANDSTAMPS

Band Layouts are designated using the first character on that band. For example, in the Figure Bands below, the lefthand band with "1" as the first character is a NO:1 band. The next band over is a NO:2 and so on. This applies to Letter Bands and Cost Selling Bands as well, for both Hand Stamps and Self-Inkers.

SELF-INKING PRICE MARKERS

The B372 is a high-quality, low-cost speed pricer designed for dependable, trouble-free performance. It is in use throughout the country in grocery, drug, hardware, and department stores as well as supermarkets. Stock layout (shown below) is furnished on stock units, however you may order custom assembly as with other stamps.

- Close tolerance construction eliminates rattle and chatter which unnecessarily wears down the machine
- Tight fitting bands resist slipping & breaking
- Bearings give long life and smooth operation
- Rubber base provides permanent non-slip protection
- Large wheels for fast, clean price changes

Special-Assembled Price Markers are available in Sizes 2 (3/16" character height) & 2-1/2 (1/4" character height). Maximum number of bands for Size 2 is 6. Max for Size 2-1/2 is 5.

List price is \$47.69 and Net is \$23.85 for all special assembled price markers.

See Page 116 for Replacement Ink Cartridges.
